

IACA Call For Board Members!

Dear Doctor,

The intent of this communication is to encourage 2011 International Association of Comprehensive Aesthetics (IACA) members interested in serving on the IACA Board to formally express such interest to the IACA Nominating Committee. For 2011 there are four vacancies on the Board of Directors who will be elected during the July 28- July 30 Conference in San Diego, California.

The requirements to serve on the IACA Board are as follows:

2. Have attended the previous year's IACA meeting.
3. Willing to make a two to three-year commitment to the IACA.
4. Must attend all IACA meetings during term.
5. Must be passionate about the future of dentistry and the role the IACA can play in shaping its future.

The IACA seeks Board Members who will positively support and promote the organization, bring enthusiasm and excitement to the position, and strategically plan for the growth and success of the organization. **Interested candidates must submit a letter of interest, answers to the three questions listed below, as well as a 30-60 second video as to why members should vote for them**, and forward this information to [Dr. Prabu Raman](#) no later than Friday, June 24, 2011. Letters of interest or incomplete applications received after June 24 will not be considered. The IACA Nominating Committee will review the videos and responses then present a slate of candidates, which will be voted on by members attending the 2011 San Diego Conference.

Candidate Questions:

1. What qualities will you bring to the IACA Board position that will advance the organization?
2. What previous experience/positions have you held that qualify you to serve as an IACA Board Member?
3. Looking to the future, what is your vision for the IACA as an organization?

The IACA Board looks forward to receiving the applications of interested candidates. The IACA's success is due in no small part to the knowledge, expertise and experience of its members. Service on the IACA Board is an opportunity for you to shape the future of the organization and serve in a leadership role with the most inclusive organization in Dentistry. I look forward to seeing all of you there.

Sincerely,
